WINTER 2021

RISALAMANDE *Danish Almond Rice Pudding with Cherry Sauce*

Ingredients

- 1 c. arborio rice
- 1 ¼ c. water
- 4 c. milk
- ¼ tsp. salt
- 2 tsp. lemon zest
- 2 tbsp. sugar
- 4 oz. chopped blanched almonds
- 2 c. heavy whipping cream
- ¼ c. sugar
- 2 tsp. vanilla bean paste
- ½ tsp. almond extract
- 1 ½ c. canned cherries and ½ c. syrup from the can
- 3 tbsp. sugar
- 1 tbsp. lemon juice
- 1 tbsp. butter
- 1 tbsp. cornstarch dissolved in ¼ c. water
- ½ tsp. almond extract
- Mint for garnish (optional)

Directions:

1. Bring rice, salt, lemon zest, sugar, and water to a boil. Boil for 3 minutes, add milk, and return to a boil. Reduce heat to low, cover, and simmer for 30–35 minutes, stirring occasionally. Stir in the chopped blanched almonds. Let cool.
2. While rice is cooling, bring cherries, syrup, sugar, butter, and lemon juice to a boil. Reduce heat and simmer for 3 minutes.
3. Add cornstarch mixture and stir until thickened, about 1 minute.
4. Remove from heat, and stir in almond extract.
5. Once the rice is cool, beat cream until it starts to thicken. Add sugar, vanilla bean paste, and almond extract, and beat until stiff peaks form. Stir this mixture into the rice pudding. Serve at room temperature with warm cherry sauce.

WHO'S READY FOR THE WINTER CHILL?

Dear Valued Customer,

Another summer has come and gone, and we look forward to keeping your family safe and warm this winter. We are always available to service your home comfort needs, including fuel delivery, emergency service, and new heating installations.

As the year wraps up, we look back on months and years gone by. We've been sending out calendars since the early 50s, and this year marks our 75th calendar! This has become an irreplaceable holiday tradition for us. How many Drum calendars have you collected over the years?

We hope you have a wonderful holiday season, full of cheer and time spent with family. Please enjoy this winter's newsletter, and as always, thank you trusting us with your home comfort!

Warm regards,

Drum Oil & Propane

HELP OUT OUR DELIVERY DRIVERS THIS SEASON

With temperatures already starting to drop, we'll get snow before you know it. We know you depend on your fuel to keep your home cozy and warm, so help your delivery driver out this heating season, so they can deliver your fuel on time and efficiently. **When it snows, clear access for our service tech if you need us to access with the bilco door, and take the following precautions:**

- ✓ **Clear a path to the fill pipe/LP tank**
- ✓ **Remember, our trucks are 10' wide (just under twice as wide as some cars). If you plow out your driveway, make sure it's wide enough**
- ✓ **Mark off longer driveways with reflective markers**

No-Heat Checklist

While losing heat in the middle of the cold season is something no one wants to experience, don't panic right away! The best way to resolve a sticky situation is to be prepared. Below, find some tips to follow in case you lose heat this season. No-heat situations can often be resolved without having to call in your HVAC provider, but if you find that you still have no heat, get in touch with us.

1. Check the batteries in your thermostat. The vast majority of thermostats take batteries.
2. Check your air filter. A plugged air filter can cause furnace to overheat.
3. If there is a lot of snow outside, check the air intake/exhaust pipes. Snow drifts can plug airflow to the furnace/boiler, causing no heat.

Summary of Our Service Hours

24-hour Response: For gas leaks, oil leaks, and automatic delivery no-heat runouts

After Hours: Service up to 9 p.m. with priority service the next morning

Priority Service: Next morning for oil, propane, and natural gas customers (with current service plan)

Convenient Payment Options for You

We want to make your payment options convenient and easy! As always, we accept payment by mail and over the phone. Experience the peace of mind of automatic payment either by credit card or bank account!

Please call our office in advance to enroll for this service.

Most popular of all is our online bill pay! **Simply visit DrumOil.com, and click "Pay Your Bill" at the top.** This secure option is available to you around the clock and from the comfort of your home.

If you are a will-call delivery customer, be sure to check your gauge, and place your delivery request early. Fall and winter are our busiest times of year, and we want to make sure you get the fuel you need. The best way to prevent a fuel-runout is to check your tank gauge regularly, and always order before your tank gauge reads $\frac{1}{4}$ full.

Why not simplify things? Enroll in automatic delivery, and we take care of arranging your deliveries for you at no extra cost. **Contact us at 1-877-DRUM-OIL to reduce your stress this season.**

Note for Will-Call Delivery Customers

Community Holiday Events
