Why Drum Oil & Propane Should Service Your Natural Gas & Air Conditioning Systems

WHAT THEY DO

OFFER "BAIT 'N SWITCH" TYPE PRICING

It may look like a low price, but that just gets them in the door. Cheap service will lead to more frequent service calls. This means they will be coming back, and it won't be for free.

ALWAYS TRY TO SELL YOU MORE

Their technicians will look to sell you unnecessary equipment or upgrades that are in their best interest...not yours. They will do their best to walk out of there with double or triple what you expected to pay.

WON'T ALWAYS BE THERE

These companies are usually one- or two-man operations, so if it gets busy, they can't be everywhere at once like Drum Oil & Propane can.

WHAT WE DO

SERVICE THE CUSTOMER RIGHT

Our technicians will do the job right the first time and never try to sell you something you don't need.
